

# UHMWPE Reinforced Blind Flange

Salco's corrosion and abrasion resistant reinforced blind flange allows for a longer life span than traditional designs.

## Features

- Chain Attachment
- Textured gasket face
- 2", 3" and 6" sizes
- UHMWPE encapsulated steel

## Benefits

- Leak free seal
- UV inhibited
- High abrasion resistance
- Full corrosion resistance, wetted and non-wetted surfaces

## 150lb Blind Flange

**2"**

(4) 3/4" Bolt Holes on 4 3/4" Bolt Circle

Part Number: **HS2150BFRPE**

**3"**

(4) 3/4" Bolt Holes on 6" Bolt Circle

Part Number: **HS3150BFRPE**

**6"**

(8) 7/8" Bolt Holes on 9 1/2" Bolt Circle

Part Number: **HS6150BFRPE**
